

ROGUE VALLEY SEWER SERVICES

JACKSON COUNTY, OREGON

RESOLUTION NO. 16-18

ESTABLISHING EXCESSIVE MAINTENANCE FEES

WHEREAS, Rogue Valley Sewer Services assumes maintenance responsibilities for privately constructed public improvements; and,

WHEREAS, developers of private property have options in the design of public facilities; and,

WHEREAS, the design choices made by private developers can have a large impact on the operations and maintenance expenses incurred by Rogue Valley Sewer Services; and,

WHEREAS, RVSS Code Section 9.10.080 allows RVSS to collect an excessive maintenance fee whenever a private developer chooses to construct facilities with excessive maintenance requirements;

NOW, THEREFORE, BE IT HEREBY RESOLVED, that private developers who construct the following types of facilities shall be assessed the following charges prior to acceptance of the facility as a public improvement.

Structural Stormwater Quality Feature: \$8,500

Sewer Pump Station: to be determined on a case-by-case basis

Other facilities with excessive maintenance requirements: to be determined on a case-by-case basis

ADOPTED by the Board of Directors of Rogue Valley Sewer Services at its Regular Meeting held September 21, 2016

ROGUE VALLEY SEWER SERVICES
